

**AIR
FLOW**

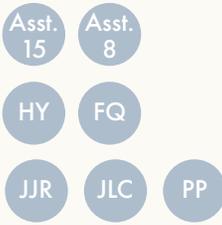

Sasha
IGNATIADOU

Sasha Ignatiadou's guest collection for Ruby Star Society, Airflow, is inspired by animals and plants. Sasha believes that the patterns and imagery created by nature are often the most beautiful, so she turns there for inspiration. Cats, tigers and cranes reside in a technicolor landscape of gently undulating botanicals, with rich metallics giving a luxe finish. Two rayon prints round out the group.

APRIL DELIVERY

23 premium 100% Ruby Star Cotton prints
2 Rayon prints
