

# BALISONG

## ZEN CHIC

Inspired by the best vacation of my life, a Bali trip together with my son, Balisong is a collection born from the island's eternal sunshine and the warm embrace of its people. The joy of the island has encouraged me to develop a bolder color palette than ever before. Each color, from the freshness of "Papaya" to the tranquility of "Seaglass," reflects my journey—sun-drenched days, breezy evenings by the sea, and candlelit nights where creativity unfolds. This is Zen Chic in a new guise, a vibrant celebration of the boundless beauty of life that invites you to blossom with me.
