What comes to mind when you think of wildflowers? Flowers growing freely in unexpected places, or perhaps a profusion of native blooms growing in woodlands, on the prairie, or in the mountains? For many, *wild flowers* represent joy, independence, and resilience.

The prints in Moda's latest Wildflower collection evoke seeds scattered by the wind - fields of flowers in shades of deep blue, rich red and a bit of pink.

Live life in full bloom with Moda's Wildflowers.
