The bright, colorful Grand Canal collection will send you on a marvelous gondola ride through Venice, Italy, and its picturesque islands, canals, and bridges. The colors are warm and saturated like the boats and villas lining the famed waterways. The patterns bridge the past and present with a mix of Venetian flowers, motifs, and decorative arts that includes mosaics and mille fiori. Like the Grand Canal that inspired it, this fabric line has a timeless air and sings from the heart that life is beautiful.
