

Happy Days
by Sherri & Chelsi
FEBRUARY DELIVERY

Our Happy Days collection is inspired by the bright colors and flowers of a spring garden. New blooms, gardens planted, and warmer days bring a chance to enjoy the outdoors and find happiness in nature. Because our love of gardens and flowers take us back to earlier days, the florals in Happy Days have a bit of a “vintage vibe” – reminiscent of those joyful days gone by, but still optimistic about happy days ahead.

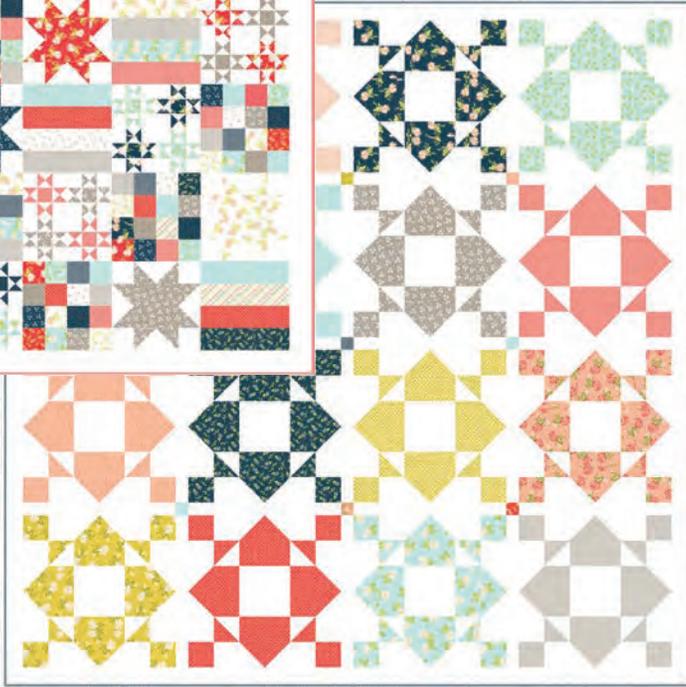

With coordinating stripes, dots, and prints in medium and small scale, this collection is perfect for creating quilts that will evoke joy in our homes. With a rainbow of colors mixing soft coral, grey, and aqua, with bolder hues of navy, citrine, and red, Happy Days features a palette that delights the senses. We hope you'll enjoy creating and tending to your garden of quilts with this delightful collection.
