

# Llama Love

Deb Strain

Llama Love is everywhere! And why not? Llamas are fun, festive and have so much personality. This collection of funny, four-legged friends contains hearts and flowers mixed in with cacti and streamers for a happy assortment of prints that is sure to bring a smile. The colors are soft to reflect the fur of these lovely creatures. They'd work well for every kind of project, including something special for Valentine's Day. Just say..."this collection is filled with Llama Love!"
